C.W. Woodbury Middle School GEAR UP Abstract 2012-2013

Woodbury Middle School opened in 1973. The school enrollment demographics indicates students are 8.3% Black/African American, 3.6% Asian, 57.7% Hispanic, 23.1% White, 0.5% American Indian/Alaskan Native, 1.7% Pacific Islander, and 5.1% Multi-race. Approximately 10.8% of the population is identified has having an IEP, 26.9% as LEP, and 61.2% as participating in the Free or Reduced Lunch program. Woodbury Middle School serves approximately 1,310 students, 52.5% male, 47.5% female. Woodbury Middle School will incorporate GEAR UP services to enhance academic achievement and enrichment strategies, augment the school and family connections, provide tutoring sessions, implement program support systems and continue the data collection and program oversight processes. Woodbury will have a Learning Strategist and Springboard Coordinator on staff for instructional coaching. A variety of programs and materials are made available to the students and teachers including Compass Learning, Study Island, Star Reader, Star Math, Springboard, and Aims Web Progress Monitoring. Woodbury will incorporate the Career Cruising program into the 7th grade classes.

Seventh grade students will:

- Receive additional counseling that will result in an expanded Individual Learning Plan (ILP) based on the interests
 and aptitudes identified through Career Cruising.
- Participate in field trips that will include visiting their zoned high school and/or magnet/career/technical campuses. These activities will connect current planning with future opportunities.
- Receive mentoring from The Williams Group specifically designed to meet students' needs as identified by the Woodbury GEAR UP team.
- Participate in college readiness activities provided by designated GEAR UP college ambassadors.
- Complete the GEAR UP Agreement when designated as a GEAR UP Scholar.

The parent/guardian of the GEAR UP student will:

- Attend parent activities that will explain the opportunities and support that the GEAR UP program provides to both schools and families.
- Learn more about college grants and scholarships and the importance of early financial planning as it relates to college readiness.
- Participate in GEAR UP student activities when appropriate.
- Sign the GEAR UP Agreement during the 2012-2013 academic year.

Administration and faculty will be involved in identified professional development activities that support CCSD initiatives and GEAR UP goals. Although many Woodbury students attend magnet and career/technical high schools, the main feeder high schools are Chaparral and Del Sol. Woodbury Middle School, through the work of an assigned support staff member, will assist Nevada State GEAR UP in collecting data required for the Annual Progress Report.

Principal Greg Snelling will provide oversight.
